**Israel Academy of Sciences and Humanities v.  
American Foundation for Basic Research in Israel  
Case No. 1:22-cv-04810 (JLR)**

Dear Judge Rochon:

We represent defendant American Foundation for Basic Research in Israel (“AFBRI”) in the above-referenced action. As Your Honor is aware, on September 30, 2022, AFBRI filed a motion to dismiss Plaintiff’s Amended Complaint. (ECF ##30-33) consistent with the Court approved briefing schedule. (ECF#27)

We respectfully submit this letter-motion with the consent of counsel for plaintiff to request the adjournment of initial pretrial conference scheduled for October 13, 2022, and all submissions related thereto, to a date following the disposition of the pending motion to dismiss Plaintiff’s Amended Complaint. We also wish to inform Your Honor that AFBRI’s counsel will be out of town on October 13, 2022, due to the Jewish holidays. To the extent the Court wishes to proceed with the conference during the pendency of the motion to dismiss, both counsel would be available to appear for a conference on October 20, 2022. We appreciate the Court’s attention to this request.

Respectfully submitted,

By: Daniel P. Rubel
